Back batching for a new season!

This week from Cardiff

The Burton Family

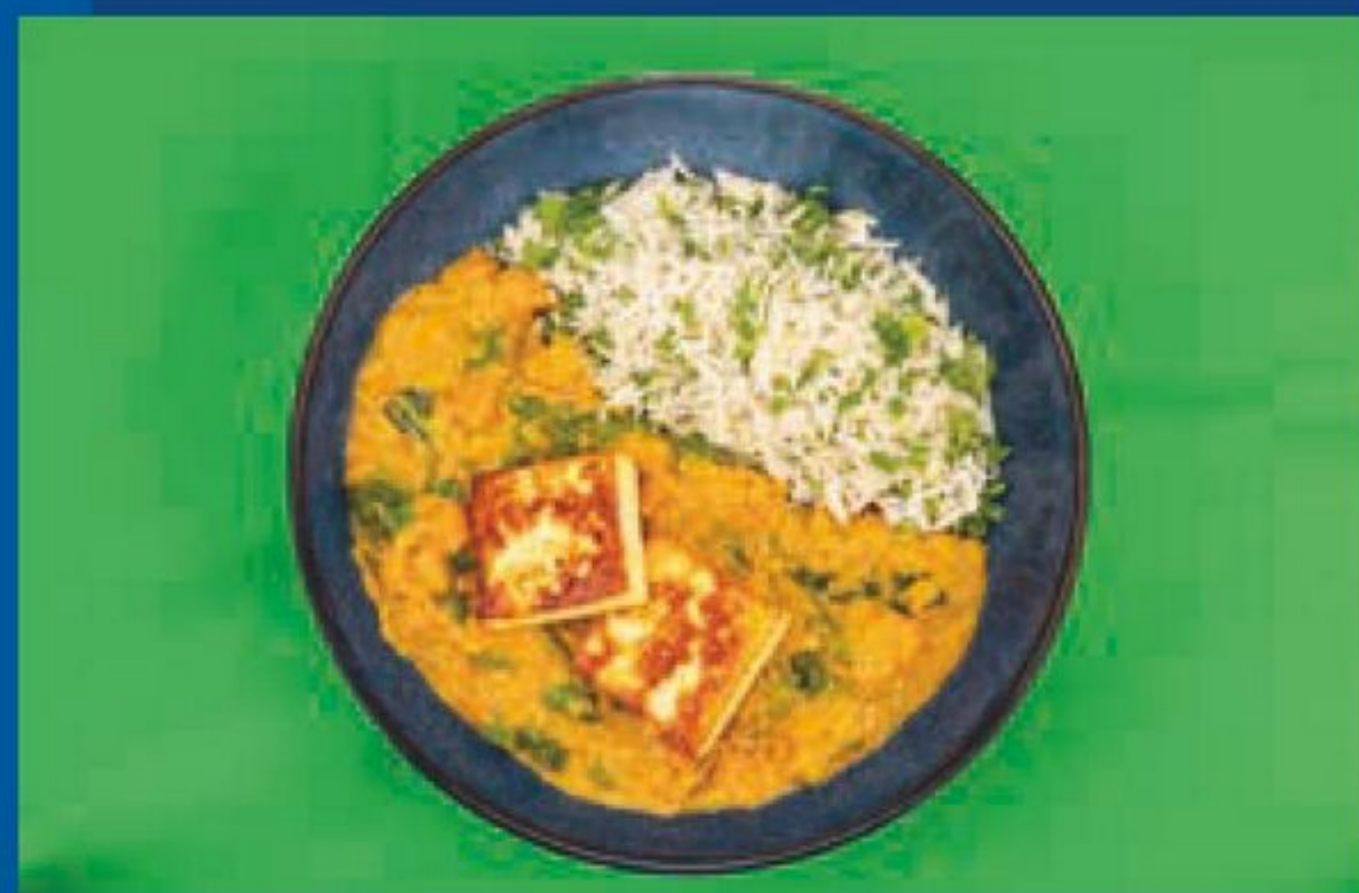

Watch Episode 2
on Monday 02 March at 8pm

Stream on 

A little batching saves a lot. Not only do you save money, but you'll also save time in the kitchen too, which means extra quality time with the family around the dinner table, no matter how busy life gets!

Joe and Suzanne are with the Burtons, a blended family of six, helping them get dinner back on track. Because two of her children have coeliac disease, mum, Becky, cooks the same gluten-free meals on repeat and often prepares multiple dishes at dinnertime to keep everyone happy. The family need a plan to get organised, cut their food spend and add some gluten-free variety into mealtimes, before Becky's maternity leave ends!

If the Burton family continue this journey for a year, they could expect to **save £5,802** and **507 hours** in the kitchen.
