# Back batching for a new season!

## This week from Banbury, Oxfordshire

The Sellers Family

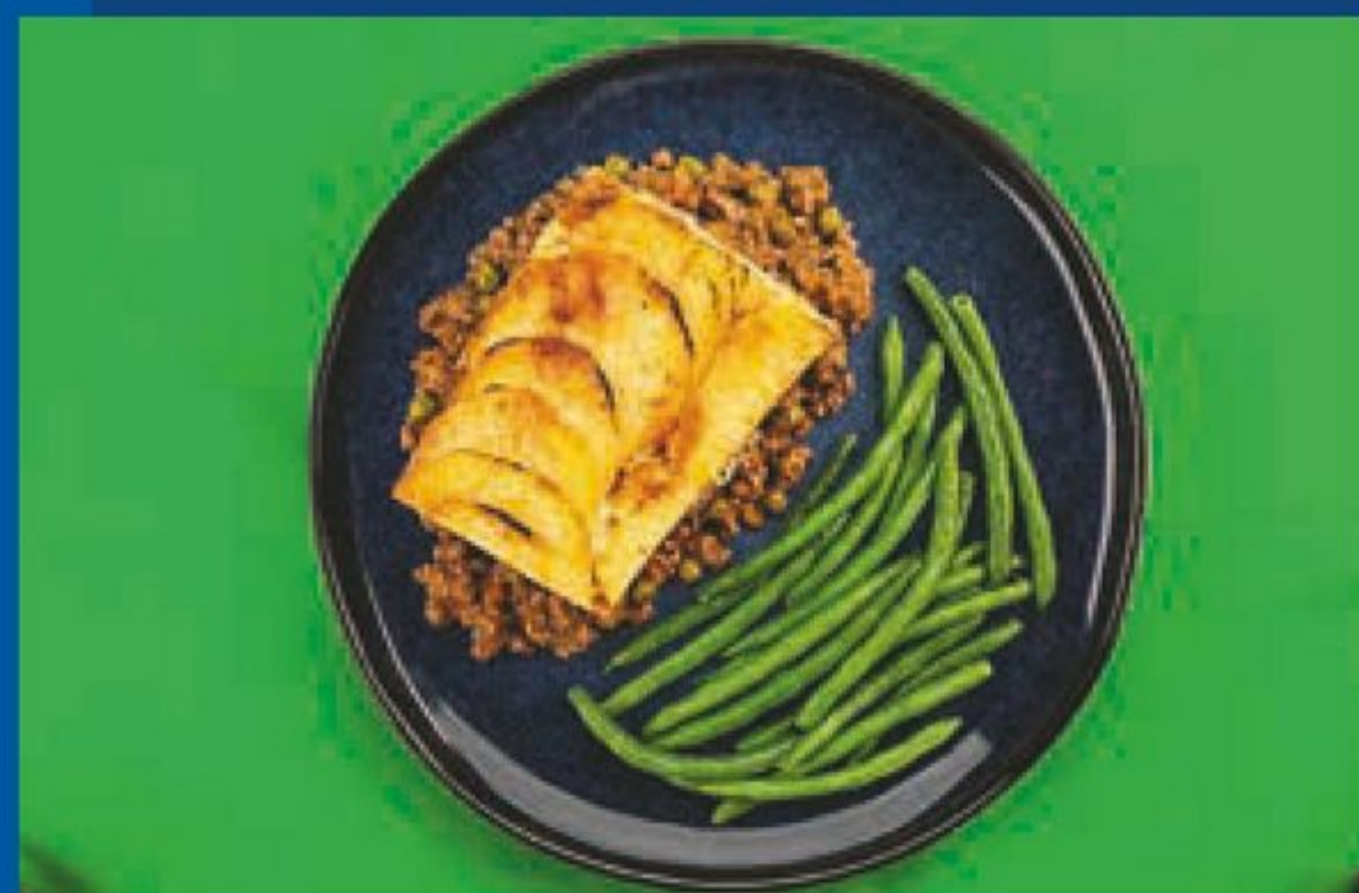

A little batching saves a lot. Not only do you save money, but you'll also save time in the kitchen too, which means extra quality time with the family around the dinner table, no matter how busy life gets!

This week, the Sellers family learn to embrace new cooking routines that'll help them eat earlier in the evening, boost their nutrition and spend more time together as a family after a busy day.

If the Sellers family continue this journey for a year, they could expect to **save £5,987** and **323 hours** in the kitchen.
