Our own-brand Way To Go! chocolate is the first to contain 100% cocoa that's traceable back to Fairtrade cooperatives. It's choc-a-block with flavour and produced ethically for an even scrummier bite. We support Fairtrade cocoa farmers by paying an additional premium on top of the Fairtrade price. This additional payment helps to boost incomes and finance important training and income diversification projects. We also sell more Fairtrade cocoa than any other retailer in the UK.

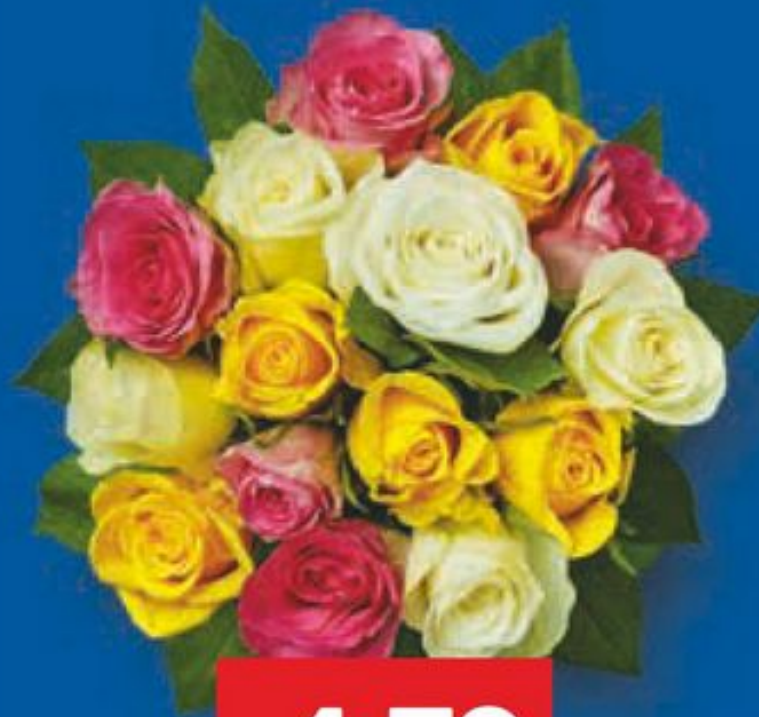

And it's not just Fairtrade chocolate that we stock, you'll find over 100 products available throughout the year in our stores, from bananas and sugar to wine and more.
