# BATCH FROM SCRATCH

COOKING FOR LESS

BROUGHT TO YOU BY

# Catch 'em batching this week from Hull!

A Lidl batching saves a lot. Not only does it save you time and money. But when you do your weekly shop at Lidl, you save even more. It's a win-win!

Watch Joe Swash and Suzanne Mulholland, aka The Batch Lady, help six struggling households, who find mealtimes a daily battle. They analyse every meal eaten, every minute wasted, and every pound spent. Along with clever hacks and monthly meal plans, we see them successfully cut costs, save time, and create easy batch-cooked meals for the freezer – all from one Lidl shop a week!

Watch Episode 1  
on Monday 17th  
February - 8pm

Stream on

# Episode 1 with The Powells

For mum and dad, Claire and Richard, their hectic home and work life was a constant juggling act that was impacting their nutrition and their pockets.

Not only were they making over 50 trips to the shops each month, but they were spending a lot of money while not always having full meals. Their three kids relied on sugary snacks and they often turned to unhealthy convenience food to fill hungry tumms.

Watch how Joe and Suzanne reduce the family's shopping trips to just one main shop per week, plan meals as a family so everyone's happy, and introduce healthy, easy-to-grab snacks to replace sugary cereals.

On the show  
this week:  
**Cottage Pie**

Recipe available  
online once this  
episode airs

If the Powells continue this journey for a year, they could expect to **save £8,104** and **517 hours** in the kitchen
