Back batching for a new season!

This week from Nidderdale, North Yorkshire

The Long Family

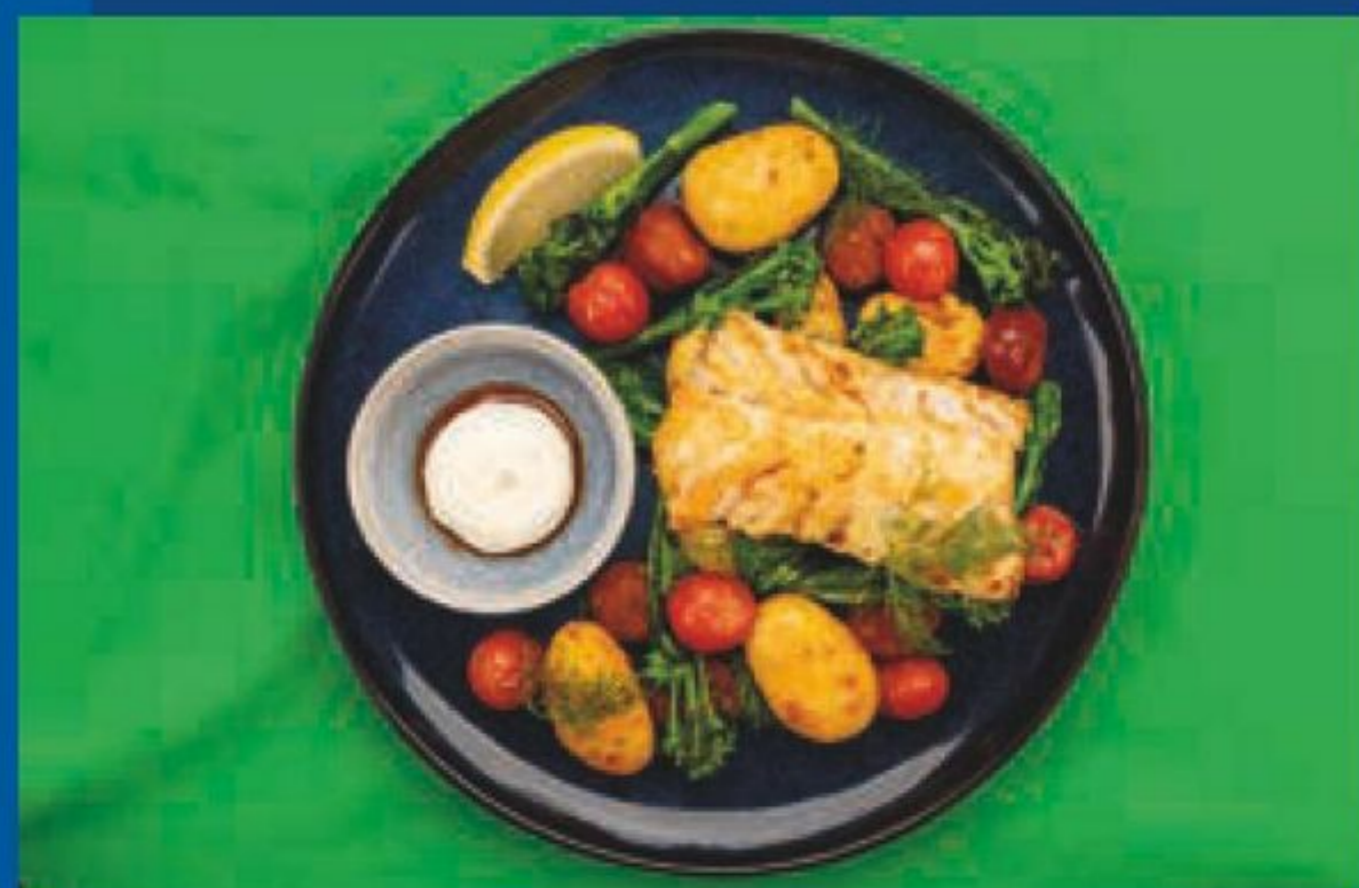

Watch Episode 1
on Monday 23rd February at 8pm

Stream on 

A little batching saves a lot. Not only do you save money, but you'll save time in the kitchen too, which means more quality time with the family around the dinner table, no matter how busy life gets!

In episode one, Joe and Suzanne show busy working mum, Fiona, and her grown up kids, Isabel, Lucy, Fin and Archie, that getting good food on the table doesn't have to mean cooking chaos. They'll dish up fuss-free meals that'll boost their nutrition and reduce their food spend too!

If the Long family continue this journey, they could expect **save £4,470** a year and **274 hours** a year in the kitchen.
