Lidl has partnered with absurdist designer Nik Bentel to create the 'Croissant Handbag', immortalising one of our most iconic bakery items.

The bespoke design has the bakery treat reimagined into a fashion must-have. The crescent-shaped leather 'croissant purse' comes complete with a golden zip and trolley coin, and is encased within a soft leather 'bakery bag' that marries the trendy roll top clutch style with a traditional paper bag, three strap options for day and night wear, and more.
