MY SUMMER PERSONA

Relive the summer, anywhere you are

Are you ready to escape to your dream destination? Immerse yourself in the wonderful fragrance mists from the iconic Giordani Gold, Amber Elixir and Possess.

EMBRACE YOUR SUMMER PERSONA

Being Swedish, summer is a magical part of the year to me. It is a true happy place, when longer days and warmer weather allows you to forget a lot of "musts" in life, and replace them with "wants". My summer persona makes me feel more creative and free – there's something about the sunshine that sparks new ideas.

My beauty routine is also less "regimented" during summer. Most importantly, I want a good mascara, like **The One 5-in-1 Wonderlash XXL mascara**, but scents mean a lot to me as well. On a hot day, nothing makes you feel fresher and energised like a light scent. I am so happy about our mists, **Giordani Gold Everlasting Glow, Possess Mythical Seduction and Amber Elixir Warm Temptation.** On some days, even the combination of warm sun-soaked skin and a body cream is all you need – like our **GG Essenza Supreme Body Cream.**

Let's celebrate summer freedom this month – our ability to break out of the mould and live like free spirits under the summer sun!

ANTIOXIDANTS ARE IMPORTANT IN A HEALTHY BALANCED DIET

to help protect our bodies against oxidative stress, which can lead to skin ageing, inflammation, and chronic stress (Pisoschi & Pop, 2015). One of the best ways to combat oxidative stress is to consume antioxidants from a variety of dietary sources.
