AN

"A powerful fragrance combining the generous and voluptuous tuberose with thorny red ginger on a warm rich dry-down"

Marion Costero, PERFUMER

When creating All or Nothing Amplified, Marion was inspired by the bold, confident woman who lives her life to the fullest. "This woman inspired me to imagine an oriental creaminess wrapped in voluptuous floral notes and audacious red elements."

"I wanted to create a scent of an original and voluminous floral elegance. Luminous, golden Orange Blossom, the characteristic signature of GG, is interlaced with Saffron, a rare and precious spice known as "Red Gold" that glows with warmth and sophistication."

Ilias Ermenidis, PERFUMER

Having lived in many different countries, Ilias is a global citizen who lives life fully – and enjoys it immensely, truly embodying the GG mindset. For the exclusive Glow Accord, he carefully selected an ingredient that would enhance the most beautiful facets of Orange Blossom.

POSSESS

“By adding a spicy freshness to the masculine woodiness of **Possess Absolute Man**, the brand reached new heights. We explored a victorious ingredient that would surprise with its versatility, like a duality of facets of the man who wears it.”

Alexandra Carlin & Pierre Guéros,
PERFUMERS

“The main inspiration behind the fragrance for **Possess The Secret Man** was the story of Thor. The unique Ice Accord expresses the extreme freshness that is also found in the lightning controlled by the god.”
