Making maritime memories with Mormor (Grandmother)

# MARITIME MEMORIES

Summer by the sea is always relaxing. The sound of waves, the beauty of the ocean as far as the eye can see – and for us, the many islands that make up the Swedish Archipelago! I spent all my summers there, so the Archipelago holds many nostalgic memories for me. Fishing with my father was one of my favourite activities, a tradition I continue with my children.

Summer boat days on the Archipelago

"I like to keep my makeup routine simple in summer – just Wonder Lash Mascara and Tender Care"

We take a sauna every evening before dinner, with daily showers a jump in the ocean together! As long as I can remember, Oriflame body washes and soaps have been part of our "ocean wash" routine. It's why our body washes are like a seaside escape for me, transporting me to holidays even from home. I can't wait to use the new Ray of Sunshine Shower Gel this summer down at the dock.

In this issue, we bring maritime memories to you – if you can't make it to the ocean this summer, escape there with our Riviera-inspired products!
