1. The offers in this voucher book are only available to Costco members. If your membership has expired you can renew at any Costco warehouse or online at costco.co.uk.
2. The offers are valid for the period set out on the front of this booklet and the individual vouchers. There is no need to cut out the vouchers as they will automatically be deducted at the tills. Prices correct as of 19.11.24.
3. Please note that there are maximum purchase deals per member on all of the items in the booklet. Look out for the item maximum deals per household on the face of each voucher.
4. Our computer systems track the number of times offers have been used, and will charge you full price for any products over the offer limit. Additional booklets do not increase the maximum for cardholders.
5. Vouchers have no cash alternative value. Whilst we have attempted to anticipate additional demand for products featured in these vouchers, the offers and Hot Buys are subject to availability of products in the warehouse.
6. HMRC "rounding" rules stipulate that the VAT (and therefore the overall price) payable on items bought as part of a multiple item purchase can be fractionally higher compared to the VAT on single items purchased separately as noted on price labels and vouchers. For details please see our guide on "How we calculate VAT".
7. We take reasonable precautions to ensure that goods and services are fairly and accurately described in this book or on our website and that they are available at the prices listed. However, please note that, subject to applicable law, we: (a) reserve the right to change the goods and services advertised or offered for sale in this book or through our website without any prior notice, the prices or specifications of such goods and services, and any promotional offers at any time without any notice or liability to you or any other person. Subject to applicable law, we: (a) do not warrant that this book or the Site Materials (including but without limitation to product descriptions, photographs and product user guides) are accurate, complete, reliable, current or error-free; and (b) reserve the right not to process orders, and to revise orders or recover funds where the price or other material information in this book or our website is inaccurate or when we recognise there has been a material error or breach of these offers or of our Site Terms.
- *8. Costco.co.uk online-only Hot Buy offers are limited to availability. While we have attempted to anticipate additional demand for products featured, the offers may sell out before booklet expiry. Products sold online may have different pricing than the same products sold at your local Costco warehouse due to shipping and handling fees charged for delivery.
9. With effect from 2nd March 2020 Minimum Unit Price is a legal requirement in Wales. This legal requirement already exists in Scotland, therefore please be aware there is a different pricing structure for alcohol in our Cardiff, Aberdeen, Glasgow and Edinburgh warehouses.
